Name _____ Date _____

Statement or Topic _____

Using as many terms and references as you can from the list you have created, choose one of the activities below to show your understanding of the statement or topic.

■ **Categorize all of the terms** (details) into groups and provide a label for each group (main idea) Create a graphic organizer to display your organization.

■ **Choose several terms** and use them to write a brief summary highlighting the main ideas.

■ **Choose at least three terms** and describe their cause or their effect.

■ **Choose at least three terms and elaborate** by adding details to describe each one.

■ **Illustrate at least three terms** and write a description of the significance of each.

■ **Choose at least three terms that are related.** Describe the relationship clearly using scientific terminology. Do this for a second group of at least three terms.

■ **Choose at least three terms** and compare each one to something else we have studied.
