

To teachers attending PD PASCO training on July 10:

Please follow these directions to download PASCO Sparkvue to your laptop or desktop computer:

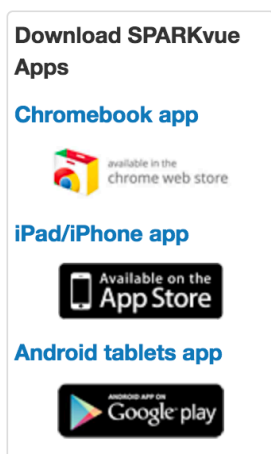

1. Go to pasco.com
2. In the login area in the upper right, copy this username: Lsuters@tntech.edu and PW: **I864K2OWI**
3. In the blue bar along the top, select Downloads tab:

4. Download “Free Trial” of SPARKvue. Select appropriate type of laptop: Windows or Mac

5. If you have an iPad or iPhone—download SPARKvue from App Store.
6. If you have Android device—download SPARKvue from Google Play
7. If you have a chromebook—download SPARKvue from Chrome Web Store.

If you have any questions or issues, please call PASCO teacher support 800-772-8700 and they will step you thru the process.

You will also need to access this Google Drive link during the July 10 training. Please make sure that you have created a google username and password if you do not already have one. You should be able to see files at this link: **bit.ly/2sQZR5Y**

See you next Monday!
